YHDP Overview

Background
A Way Home for Tulsa (AWH4T) is a collective impact of over 30 voting organizations that operates as a coalition of passionate stakeholders and providers who plan and implement strategies with a system approach to end and prevent homelessness within Tulsa City/County. A Way Home for Tulsa has a governing body, Leadership Council, that oversees the coordinated efforts across the community and is representative of the geography and composition of the Continuum of Care (CoC). Leadership Council must approve one entity as the designated Collaborative Applicant (also known as the CoC Lead Agency). Housing Solutions, as the designated CoC Lead Agency, is responsible for coordinating the local competitive funding competition on behalf of the community to receive HUD awarded federal funds dedicated to ending homelessness.

The U.S. Department of Housing and Urban Development (HUD) developed the Youth Homelessness Demonstration Project (YHDP) to support communities across the nation to end youth and young adult homelessness. Communities are invited to apply for YHDP funding through a competitive application process as outlined in the YHDP NOFO.

HUD awarded the Tulsa City and County Continuum of Care (OK-501) funding for the Youth Homelessness Demonstration Program (YHDP) Grant. These grant funds provide housing and services to youth and young adults between the ages of 18-24 years who are experiencing homelessness in Tulsa County, Oklahoma. CoCs awarded YHDP funding must facilitate a local competitive funding competition. The Coordinated Community Plan (CCP) to End Youth Homelessness outlines the background of the uses of these funds and how they will contribute to a larger community plan to end youth homelessness in Tulsa.

What is YHDP?
The Youth Homelessness Demonstration Program (YHDP) is an initiative designed to reduce the number of youth and youth adults (YYA) experiencing homelessness. The goal of YHDP is to support communities across the nation in the development and implementation of a coordinated community approach to preventing and ending youth homelessness. The YHDP will also support a robust continuous quality improvement plan to inform the national efforts and strategies used to end youth homelessness.

YHDP requires communities to:

- Bring together a wide variety of partners systems (housing, child welfare, education, workforce development, juvenile justice, and behavioral and mental health).
- Convene a Youth Action Board (YAB), comprised of youth who have current or past lived experience of homelessness, to lead YHDP planning and implementation.
- Assess the needs of special populations at higher risk of homelessness, including racial and ethnic minorities, 2SLGBTQ+ youth, pregnant/parenting youth, youth involved in the foster care and juvenile justice systems, and youth survivors of domestic violence and human trafficking.
- Create a Coordinated Community Plan (CCP) that assesses the needs of local youth at-risk of and experiencing homelessness, and address how they will use the money from the YHDP grant, along with other funding sources, to address the local needs for ending youth homelessness.

Youth Action Board
Tulsa County’s Youth Action Board (YAB) is a decision-making body of the CoC with the primary responsibility for the planning and implementation of a coordinated community approach to prevent and end youth homelessness. The YAB directs the CoC on all matters regarding youth, as the subject area experts and responsible body. The YAB drives efforts and serves as the primary voice and decision-makers in planning, implementation, and evaluation. The YAB provided feedback to adult partners, collaborated with the YHDP
Planning Group on CCP development and updates, and approved the CCP before submission to HUD. The YAB helped develop and approve the YHDP project review process and selection criteria and will participate in funding decisions made through the YHDP Independent Review Team (IRT).

**YHDP Planning Group**
The YHDP Planning Group is composed of YAB members, staff members of the CoC Lead Agency (Housing Solutions) and other community stakeholders who work in youth-serving programs and organizations. Planning Group members represent a diverse range of public sector organizations such as education, the juvenile legal system, service providers serving unhoused YYA, behavioral health providers, and child welfare. The Planning Group participated in the community planning process and system modeling sessions and was involved in the development of YHDP CCP and the funding priorities.

**Request for Proposal (RFP) & Funding Priorities**
Once a community is selected as a YHDP community, the community must develop a funding competition through an RFP process to select projects that will be submitted to HUD for the YHDP funding awards. YHDP leadership and community members develop an RFP that describes the project types for which local organizations may apply and the criteria that will be used to select project applications. YHDP Independent Review Team (IRT) is composed of 5 non-conflicted persons to serve as a neutral body to score and rank application submissions. The IRT members use a scoring rubric approved by the Youth Action Board to rate applications based on how well they meet local community priorities and programming needs outlined in the Coordinated Community Plan. Many YAB members led the design of funding priorities and the funding competition process from beginning to end, including serving on the RFP development committee and/or as project reviewers. Having YAB members serve in these roles helped ensure that youth-focused criteria are included in application scoring rubrics and that the “voice of youth with lived experience of homelessness” are represented when assessing the extent to which project applications addressed the core outcomes to meeting the needs of youth and young adults.

**Coordinated Community Plan (CCP) Overview**
The CCP provides important information about how YHDP funds are to be used to support our community’s efforts to end homelessness.

Access the AWH4T YHDP CCP [HERE](#).
Note: The AWH4T CCP is currently under review by HUD until May 8, 2023, and may undergo changes after that time to ensure compliance with HUD standards and requirements. In the event of changes, a revised document will be uploaded to the AWH4T YHDP page and notification will be given via email.
Applicants must be familiar with concepts provided in the AWH4T CCP in designing programming using YHDP funding and includes details and topics using the following outline:

**Community Goals**

Youth experience homelessness due to many interconnected challenges, which require a holistic solution that addresses both system-level and youth-level needs. AWH4T’s planning process highlighted significant system inefficiencies and barriers faced by youth experiencing homelessness. Through a deliberate planning process, the YHDP Coordination Team, Youth Advisory Board (YAB) and the YHDP Planning Group, developed community goals used to guide the CCP and the work to end and prevent homelessness for youth and young adults residing in Tulsa. Identified goals, objectives, and action steps were created to align with:

- [USICH Framework to End Youth Homelessness](youth framework)
- [Preventing and Ending Youth Homelessness: A Coordinated Community Response](#)
- [Criteria and Benchmarks for Achieving the Goal of Ending Youth Homelessness](#)

All goals were developed with authentic youth collaboration and the commitment to ensuring that all planning, decision-making, resource allocation, and system evaluation will be youth-driven from day one. Applicants must design programming and services that meet the following goals:

1. Rapid Identification and Seamless Access
2. Safe and Sustainable Housing
3. Foundational Youth Voice
4. Transformative Connections and Opportunity

**Continuous Quality Improvement (CQI)**

Through the development and implementation of YHDP, our goal is to prevent and end youth homelessness within the Tulsa City and County CoC. To measure progress toward our CCP goals and objectives, USICH outcomes, and HUD key principles, we must develop and engage in Continuous Quality Improvement (CQI). Our CQI process will measure the results of the interventions mentioned within the CCP, as well as ensure youth who are experiencing homelessness have quick and reliable assistance to access the appropriate housing, services, and/or intervention to fit their needs. Our goal is to gather data that demonstrates youth progress towards stable and rewarding futures (e.g., continuing education, gainful employment, developing social-emotional well-being, and individualized goals as defined by youth).

To reach these goals, we are committed to evaluating our partnerships, working groups, and systems alongside the YAB. The success of preventing and ending youth and young adult homelessness in our region will be continuously monitored by the lead agency to the AWH4T CoC (Housing Solutions), the YAB, as well as AWH4T’s governing board, the Leadership Council. We will consistently review and refine our strategies, practices, and goals to ensure that we remain responsive to the needs of youth and young adults, as well as develop more effective and systemic solutions to end youth and young adult homelessness.

The Youth Homelessness Task Group and YAB will lead in the development of working groups who will meet quarterly to review progress on implementation of the CCP, correlated impacts on system performance, and the current state of youth homelessness in our region. Our local Homeless Management Information System (HMIS) and local Coordinated Entry System (CES) and other systems will be continuously monitored to ensure that they are adaptive and inclusive to the unique needs of youth and young adults. This quarterly review will use UISCH core outcomes as the baseline to track progress.

Local Project Application Process

Local Competition Deadlines

Local competition deadlines are established to ensure all project applications are finalized within the timeline outlined in the Request for Proposals and to meet HUD specific deadlines. All applications must be complete and submitted within the required deadline in order to be considered.

Project Application Submittal

All project applications are required to be submitted to Housing Solutions at rfp@housingsolutionstulsa.org. See the Local Process Timeline for specific deadlines. Applicants will submit the local application materials which will be scored and ranked by the YHDP Independent Review Team (IRT).

CoC Notification to Project Applicants
Project applicants will be notified in writing whether or not their applications shall be included as part of the YHDP Preliminary Ranking and YHDP Final Ranking submission. Project applicants that submitted project applications that were rejected shall be notified of the reason for the rejection and have an opportunity to appeal the decision before the YHDP Final Project Ranking List is approved and submitted to HUD.

**Competition e-snaps Submission**

After the local review process has been finalized, all projects accepted for inclusion in the AWH4T’s YHDP Final Project Ranking must submit a final online e-snaps project application to the Tulsa CoC, according to the Local Process Timeline deadline. Housing Solutions, the Collaborative Applicant and Lead Agency for the AWH4T will review applications in e-snaps for accuracy and request corrections or revisions before the final submission to HUD.

**Local Project Review and Ranking Process**

The YHDP Program Competition is administered under the requirements outlined in the YHDP NOFO and under local CoC governance.

Scoring criteria and scoring tools have been developed to measure performance and capacity based on the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act Performance Measures, in compliance with CoC Interim Rule, YHDP priorities, and other locally identified priorities. The scoring criteria can be found in the YHDP Application and Scoring Tool document on the Housing Solutions website at [www.housingsolutionstulsa.org](http://www.housingsolutionstulsa.org) and these policies detail how the YHDP IRT Members shall evaluate projects for the initial ranking. HUD will have the final determination of YHDP funding awards.

1. Project Review Panel Members will be oriented to the process, will receive applications and scoring materials.
2. Project Review Panel Members will review and tentatively score the applications prior to their first meeting in a scoring spreadsheet provided by Housing Solutions.
3. Housing Solutions staff will ensure all applications meet threshold requirements.
   a. All projects will be scored using the Scoring Tool.
4. The YHDP Independent Review Team (IRT) will meet over the course of one to two days to jointly discuss each application, and individually score applications. Ranked list(s) will be prepared based on scores.
5. Preliminary scoring results to applicants and any applicants that fall outside of the funding amount allowed by the community will be rejected.
6. Rejected applicants will have an opportunity to submit an appeal in writing before the final YHDP Project Ranking is presented to Leadership Council and approved.
7. Housing Solutions will distribute a summary of general feedback based on the application review and select scoring factors.
8. Tulsa CoC’s YHDP NOFO Application is made available for public review and reference on the Tulsa CoC website.
9. Approved projects must meet additional deadlines outlined in the RFP timeline.

### Waiver Options for Additional Flexibility

**Waivers Requiring Notice to HUD**

YHDP projects may choose to take advantage of the special YHDP activities and other options listed at I.C.1. The following options would not meet CoC program requirements but may be used to carry out YHDP projects. As authorized by the FY 2022 Appropriations Act, projects that use these options (and other YHDP projects) can be renewed with available FY 2022 or prior FY funding for the CoC program. If similar authorization
appears in future acts, projects that use these options (and other YHDP projects) could also be renewed with CoC program funding provided under those acts. As stated in I.C.9 of Appendix A (https://www.hud.gov/sites/dfiles/CPD/documents/Appendix-A.pdf)

YHDP funding must generally comply with the CoC Program Interim Rule, at 24 C.F.R. Part 578. To allow for innovative projects that most effectively support YYA, the Department of Housing and Urban Development (HUD) will consider requests to waive certain CoC Program funding requirements for YHDP projects.

The CoC will accept applicants for YHDP projects that utilize any of the program flexibilities outlined in the YHDP Notice of Funding Availability Appendix A, section C.1.a, which require notice to HUD but do not require HUD approval.

**The CoC will support applicants for YHDP projects to request a waiver from HUD of the following CoC Program Interim Rule requirements, which will require HUD approval:**

Part 578.59(a), YHDP recipients may use administrative funds for costs associated with involving youth with lived experience being unhoused in project implementation, execution, and improvement. <td>YHDP recipients may use Supportive Services funds to cover moving expenses more than one-time to a program participant.</td>
</tr>
</tbody>
</table>
Eligible uses of funding are limited to the costs specifically listed in 24 C.F.R. Part 578 Subpart D. YHDP grant funds may be used for the additional costs listed in the YHDP NOFO Appendix A, section C.1.a.10 (pp. 2-3), to the extent they are necessary to assist program participants to obtain and maintain housing. Recipients must maintain records establishing how it was determined that paying the costs was necessary for the program participant to obtain and retain housing. They must also conduct an annual assessment of the needs of the program participants and adjust costs accordingly.

### Waivers Requiring Approval by HUD

The CoC will support applicants for YHDP projects to request a waiver from HUD of the following CoC Program Interim Rule requirements, which will require HUD approval:

<table>
<thead>
<tr>
<th>CoC Program Requirement</th>
<th>YHDP Flexibility</th>
</tr>
</thead>
<tbody>
<tr>
<td>Recipients may provide up to 24 months of rental assistance to participants in rapid rehousing (RRH).</td>
<td>YHDP recipients may request approval from HUD to provide up to 36 months of rental assistance to participants in RRH. The recipient must demonstrate: (1) The method it will use to determine which youth need rental assistance beyond 24 months; and 2) The services and resources that will be offered to ensure youth are able to sustain their housing at the end of the 36 months of assistance.</td>
</tr>
<tr>
<td>Recipients may provide up to 6 additional months of case management to participants in rapid rehousing (RRH), after rental assistance ends.</td>
<td>YHDP recipients may request approval from HUD to provide supportive services to participants for up to 24 months after the program participant exits transitional housing or after the end of housing assistance. The recipient must demonstrate: 1) The proposed length of extended services to be provided; 2) The method it will use to determine whether services are still necessary; and 3) How those services will result in self-sufficiency and ensure stable housing for the YHDP program participant. YHDP recipients may continue providing supportive services to program participants for up to 36 months after the program participant exits homelessness, if the services are in connection with housing assistance, such as the Foster Youth to Independence initiative, or if the recipient can demonstrate that extended supportive services ensures continuity of case workers for program participants.</td>
</tr>
<tr>
<td>Rental Assistance funds may not be combined with Leasing or Operating funds in the same building.</td>
<td>Rental assistance may be combined with leasing or operating funds for different units in the same building, provided that the recipient submits a project plan that includes safeguards to ensure that no part of the project would receive a double subsidy.</td>
</tr>
</tbody>
</table>
All recipients must secure cash or in-kind match from non-YHDP sources equal to 25% of YHDP grant funds, excluding leasing funds. Match funds can only be used for eligible YHDP grant costs.

Recipients will not be required to meet the 25% match requirement if the recipient is able to show it has taken reasonable steps to maximize resources available for youth experiencing homelessness in the community.

Note: Recipients will be required to meet the 25% match requirements if/when they renew a grant beyond the initial 2-year grant period. The CoC encourages all applicants to attempt to identify sources of match funding.

In addition to the specific flexibility options listed above, other innovative activities to reduce youth homelessness may be carried out using YHDP funds, even if they are not allowed under CoC Program regulations. To use this flexibility, the recipient must demonstrate that the activity meets the following criteria:

- The activity is approved by both the Youth Action Board and the Continuum of Care, as evidenced by letters of support from each organization;
- The activity will be testing or likely to achieve a positive outcome in at least one of the four core outcomes for youth experiencing homelessness (stable housing, permanent connections, education/employment, and well-being);
- The activity is cost effective; and
- The activity is not in conflict with fair housing, civil rights, or environmental regulations.

**Conflict of Interest Policy**

No member of the Review Panel may have a conflict of interest in creating the recommended Priority List. Review Panel Members will be asked to sign a statement declaring that they do not have a conflict of interest.

A conflict of interest exists if:

1. The panelist or a member of their immediate family is now, has been within the last year, or has a current agreement to serve in the future as a Board member, staff member, or paid consultant of an organization making a proposal for funding;

2. The panelist is currently employed by or sits on the Board of Directors for an organization that has a contractual relationship with any entity making a proposal for funding or has had one within the past year. However, no conflict exists under this provision if the panelist's employer, or the organization on whose Board the panelist serve, is a funding entity or if the contractual relationship
in place is not impacted by the proposals being made; or,

3. Any other circumstances exist which impede the panelist’s ability to review and rank the proposal for funding objectively, fairly, and impartially.

Exception: Panelists may serve on a panel if they are no longer affiliated with an organization making a proposal for funding, AND the potential conflict has been waived through public notice to the CoC with no opposition raised within the period listed in that public notice.

SSO Project Type Considerations

YHDP recipients have 4 project types available under the SSO component in e-snaps:

1. Street Outreach
2. Coordinated Entry
3. Housing Project or Housing Structure Specific Services
4. Standalone Supportive Services

Although these four project types are often eligible to fund the same activities, recipients must determine the project types according to the purpose of the project and respective performance outcomes. Because the HMIS project setup and APR differ between project types, it is crucial to determine which SSO project type best fits the intended purpose and outcomes of the project so that the project will collect and report on the most useful and representative data. Additionally, note that the description of the 4 SSO project types differs between e-snaps and HMIS. The chart below offers a crosswalk between the descriptions used in e-snaps and those used in HMIS project setup and APR reporting while also providing a brief description of the purpose of each project type, example project activities, and intended performance outcomes.
