YHDP Basics
What is YHDP?

Youth Homelessness Demonstration Program (YHDP)

• Project of the Department of Housing & Urban Development (HUD)
• Began in 2016
• Tulsa was selected in Round 6
  • announced in October 2022
  • One of 16 communities selected
• Includes funding & technical support to:
  • Build a community coalition of partners invested in ending YYA homelessness
  • Draft a Coordinated Community Plan (CCP) detailing goals and priorities
  • Fund housing-focused programs to support YYA
Who does YHDP serve?

Services apply to:
• Unaccompanied youth & young adults aged 24 and under
• Includes pregnant and parenting youth
• Must meet HUD homelessness criteria for category 1, 2, or 4:

1. Individuals/families who lack a fixed, regular, and adequate nighttime residence (literal homelessness)
2. Individuals/families that are at imminent risk of becoming homeless
4. Individuals/families fleeing or attempting to flee domestic violence

Coordinated Community Plan (CCP)
Reviewing the Basics
What is the CCP?

- Focused on a specific community concern (in this case: youth homelessness)
- Sets a vision for the world the community wants to see
- Identifies where/why we’re falling short of that vision
- Lays out steps that will get us to our vision
How did we develop the CCP?
Why do we need a CCP?

It shows our work:

• Who in the community collaborated on the plan
• What the community agreed on
  • Projects to fund
  • Partnerships to form
• How we value young people and their work in the process

HUD requires it!

The completed CCP was submitted to the Department of Housing & Urban Development (HUD) on April 24th, 2023.

There is a 2-week review process, then we'll hear if we need to make any changes or if the CCP was approved!

YAB Mission Statement

The Tulsa YAB strives to build our community through heart (work), integrity, & visionary leadership. We create innovative & mutually respectful spaces for Tulsa’s youth and young adults to have transparent, open, and honest communication that reimagines solutions to challenge the status quo & enact change.

As a community, we elected to lift up the Mission Statement of the Youth Action Board (YAB) to that of our collective effort in the YHDP process. Adopting this statement centers the young leadership of the YAB in our community’s approach to ending homelessness and endorses the stated vision of a Tulsa in which young people are embedded throughout the decision-making of our community even beyond our current systems of care.
Vision & Values

In Tulsa all young people have a home and a voice; they are empowered, exceptional, respected & prosperous.

Our vision is to prevent and end homelessness for all youth and young adults in the city and county of Tulsa, Oklahoma. Through this Coordinated Community Plan, we strive to address what the current system lacks and develop an innovative, unified response to homelessness that acknowledges the unique needs of Tulsa youth and young adults. We believe that all young people deserve safety, care, a place to call home, and access to the resources needed to thrive. Through strong collaborations and community partnerships, we will generate culturally-responsive services and support that are equitably and easily accessible to Tulsa youth.
