Oklahoma Department of Mental Health and Substance Abuse Services
Certified Community Behavioral Health Clinic (CCBHC) Selection Committee
2000 North Classen Boulevard, Suite 2-600
Oklahoma City, OK 73106

Dear CCBHC Selection Committee Members,

A Way Home for Tulsa is excited to support Grand Lake Mental Health Center, Inc.'s (dba GRAND Mental Health) bid response and recommend they become a Certified Community Behavioral Health Clinic (CCBHC) for the newly defined Tulsa County service area.

GRAND Mental Health has earned a proven record and stellar reputation in operating as a CCBHC across 12 counties in northeastern and north central Oklahoma. Their entry into the Tulsa area in 2022, through the acquisition and expansion of the then struggling 12&12 substance use treatment center, has assured ongoing, unbridled access to quality addiction treatment, when it is needed most.

As the HUD Continuum of Care in Tulsa, we are of the opinion that GRAND's expertise and commitment to meeting the behavioral health and substance use treatment needs of Oklahomans is without parallel. We wholeheartedly support their bid to ensure unbridled access, immediacy, and quality of care as they provide trauma-informed, outcome-oriented integrated behavioral health and substance use treatment to Tulsans in need.

We look forward to working with GRAND Mental Health to further our own work to make homelessness rare, brief, and non-recurring. As such, we offer our enthusiastic support of GRAND Mental Health being selected as a Certified Community Behavioral Health Clinic (CCBHC) in Tulsa County.

Respectfully,

Mack Haltom

RE: Oklahoma Office of Management & Enterprise Services (OMES) Solicitation
#EV00000232 – Certified Community Behavioral Health Clinic (CCBHC) Services

Dear Ms. Lapidus,

A Way Home for Tulsa (AWH4T) fully supports Family & Children's Services' (FCS) application to provide state funded CCBHC services in Tulsa County. For over a century, FCS has provided quality services to vulnerable adults, children, and families in the Tulsa metro area. Certified as both a Community Mental Health Center (CMHC) and Certified Community Behavioral Health Clinic (CCBHC), the agency serves the greatest numbers of seriously mentally ill (SMI) adults in Oklahoma (25% of the State's total SMI population).

FCS' multidisciplinary staff of 1,200+ employees provide hope and healing to over 115,000 individuals each year (one in six Tulsans). The agency offers comprehensive mental health and addiction recovery services for adults and children experiencing a range of mental health challenges.

As a longtime member of the AWH4T Continuum of Care, FCS continues to support our mission to make homelessness rare, brief, and non-recurring. We look forward to our continued partnership with FCS in their effort to provide behavioral health and substance use treatment.

Sincerely,

Mack Haltom
AWH4T Committee Chair

These questions were worth 11 points, a significant increase from the previous year. Areas where points may have been lost:</p> <ul style="list-style-type: none"> • Oklahoma Housing and Finance Agency (OHFA) does have a homeless preference but Tulsa Housing Authority (THA) does not. (Unclear if both Public Housing Authorities need to have one to receive full points.) • Moving On projects to not exist at either PHA • New admissions who were experiencing homelessness at entry. Neither PHA met the threshold, which is 20% • No joint applications with either PHA.
Category 1D: CoC Coordination and Engagement	49	47	<p>Overall, the CoC scored well in this section.
