Next Steps

Project Launch + Monitoring

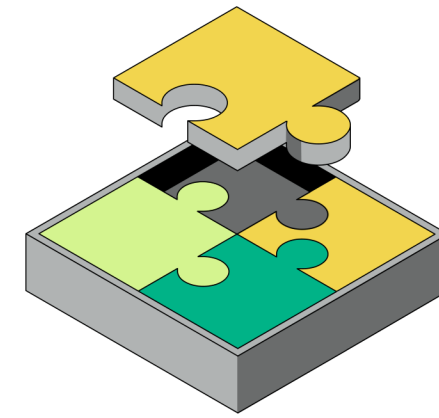

Ready, Set....Serve!

Programs get started providing services to young people and confer regularly with Housing Solutions and each other for support.

Track Services + Outcomes

Housing Solutions helps track program progress and meets regularly with project management to meet local, HUD, and YHDP goals and standards.

Evaluate + Evolve

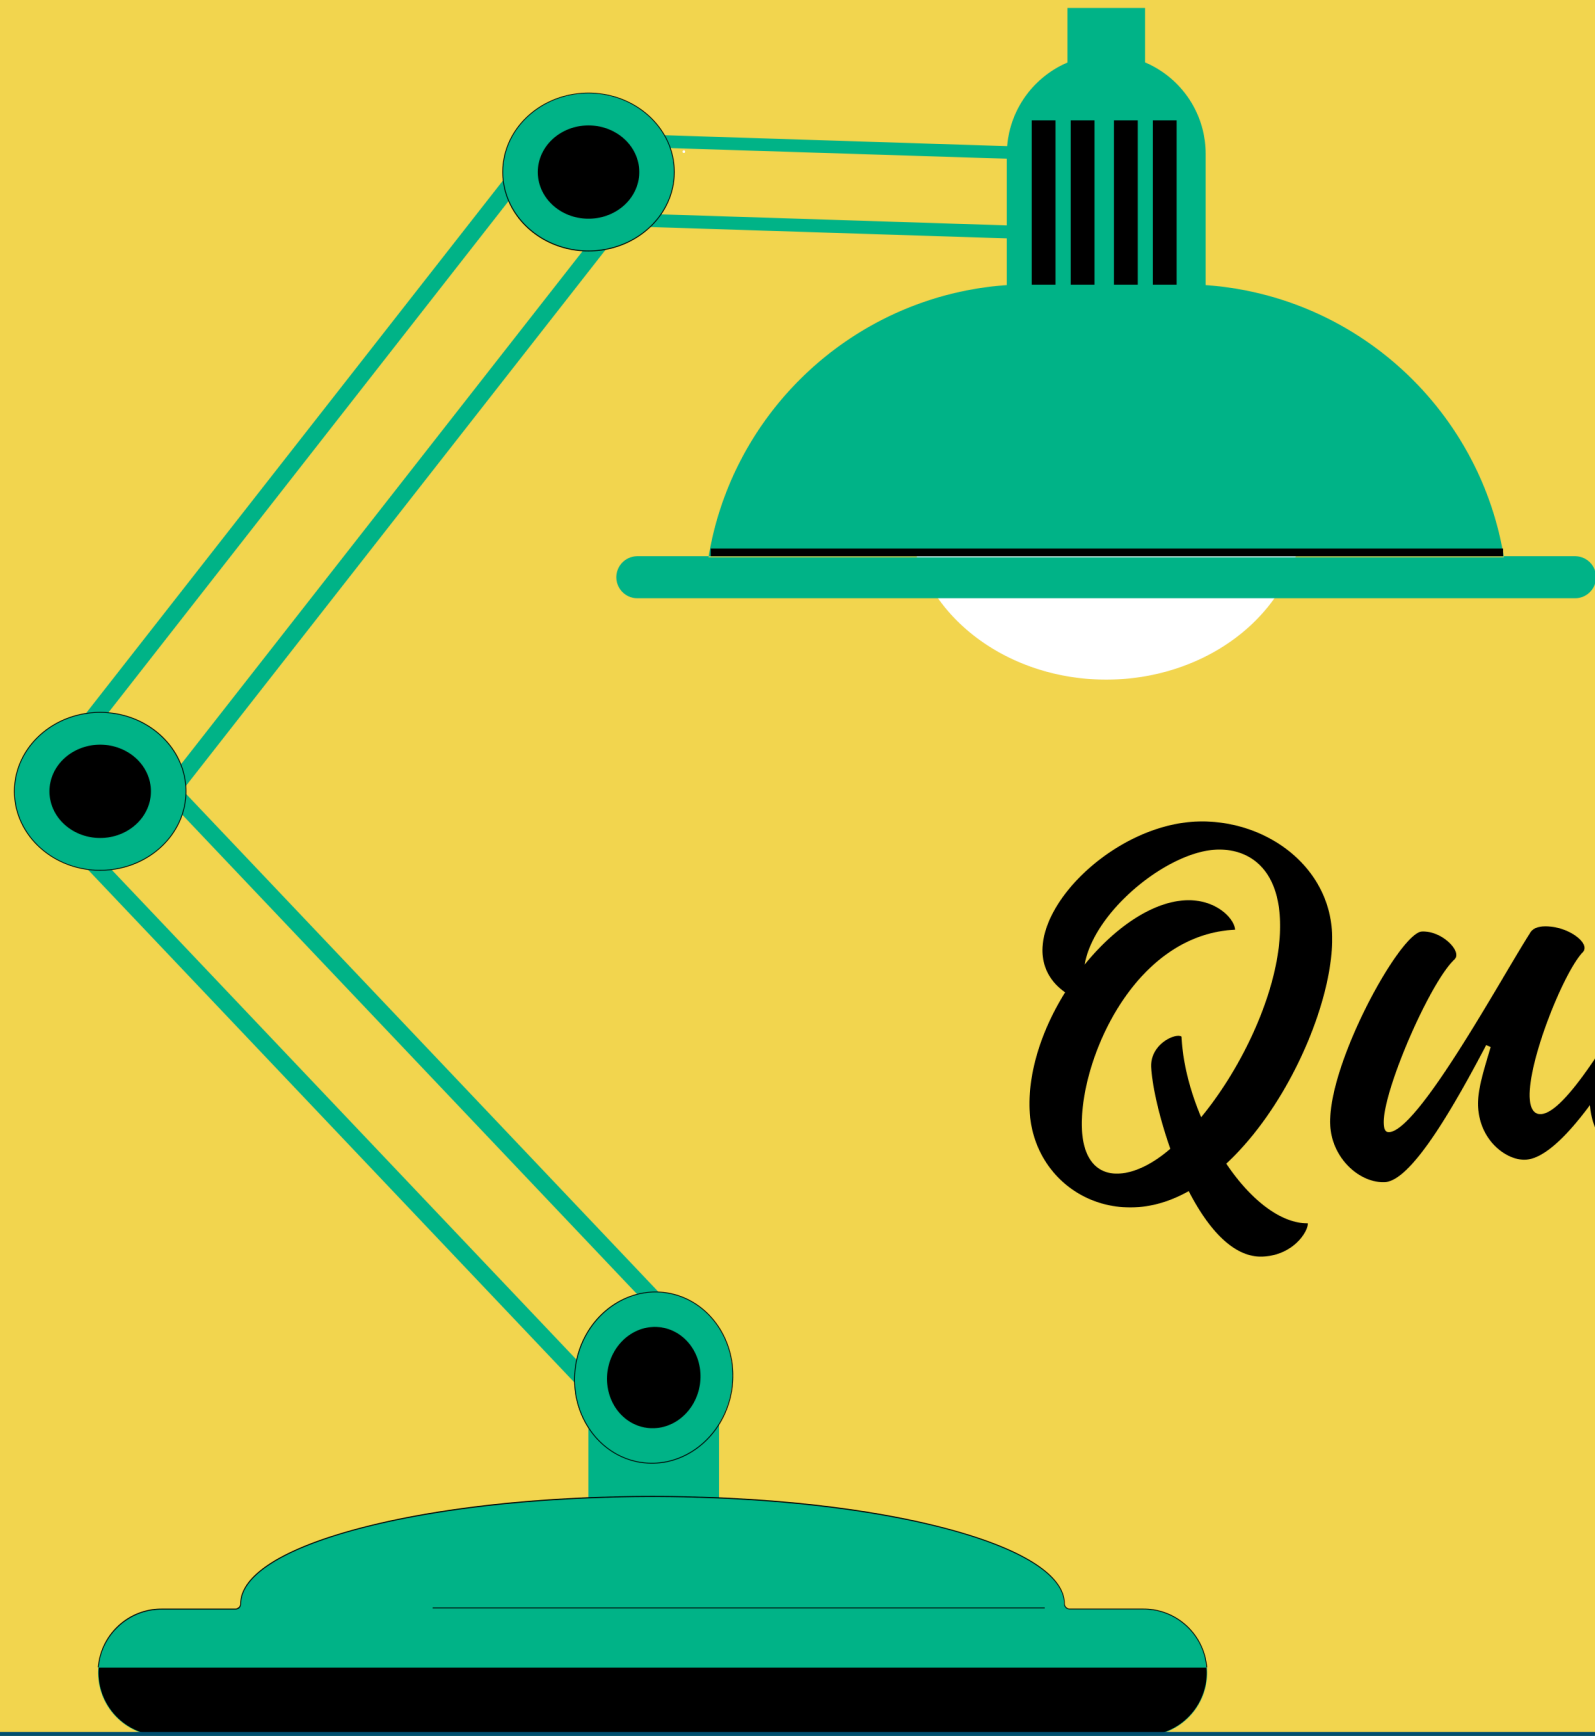

Collectively, calibrate strategic changes to projects and processes during the demonstration period to ensure program success.

Discussion

Let's get chatty

- Give us a quick update on your project. How's it going so far?
- What support could you use from AWH4T partners to ensure your program's success?

Questions?

Thanks!
